

# WHAT WE'RE ABOUT

The Southside Partnership Women's Programme supports women throughout all of Dun Laoghaire-Rathdown County. We work in the following ways:

We promote **INTEGRATION** by supporting women to participate in society, new communities and grow through two-way intercultural awareness.

We allow opportunity for women's **EMPOWERMENT** through personal development, financial skills and career/employment development.

We are **CATALYSTS FOR CHANGE** by supporting women to engage in local community issues, gender equality, political issues and societal issues.
